

Your global source for high quality hard-to-find electronic components

About Us

As a woman-owned AS9120B/ISO 9001:2015 certified independent global B2B distributor, VRG Components supplies the highest quality hard-to-find, end-of-life, highly allocated, and long lead time electronic components enabling customers to maintain manufacturing operations, bridge supply gaps, reduce costs, manage inventory, and speed time to market. VRG Components has established an extensive, reliable, global electronic components distribution network that complements their clients' existing supply channels. Customers around the world turn to VRG Components to keep their supply chains intact, reduce carrying costs, minimize the effects of price increases or shortages, and achieve accuracy in cost planning.

We specialize in sourcing hard-to-find electronic components from a wide network of 500+ manufacturers and currently serve customers in more than 43 countries around the world.

VRG Components, Inc. is headquartered in Charlotte, NC, and has earned a place on the INC 5000 list of fastest growing technology companies in 2018, 2022, and 2023.

Why Us

Proven Expertise

Fast, Dependable &
Easy to Work With

Product Lines

Active Components

- Discrete Semiconductors
- Display Technologies
- Integrated Circuits
- Memory Products
- Microprocessors / CPUs
- Optoelectronic Devices
- Transistors

Passive Components

- Capacitors
- Connectors
- Crystals & Oscillators
- Diodes
- Fuses
- IC Sockets
- Inductors
- Magnetics
- Relays
- Resistors
- Switches
- Transducers, Sensors & Detectors

Electromechanical

- Backshells
- Cable Assemblies
- Cables & Clamps
- Contacts
- Piezoelectric Devices
- Protection Devices
- Resonators
- Switches
- Terminal Blocks
- Vacuum Tubes (Valves)

Computer Products & Peripherals

- CD-ROM Drives
- CPU Coolers
- Heat Sinks
- Network Interface Cards (NICs)
- Optical Drives
- Sound Cards
- SSDs
- Video Cards

Our dual AS9120B & ISO 9001:2015 certifications set us apart, way apart.

VRG Components has a 98% quality rating and holds important dual AS9120B / ISO 9001:2015 certifications to ensure our customers receive only the highest quality authentic electronic components. It's an important distinction that provides an extra measure of reassurance every purchasing professional should demand - especially those in aviation and aerospace.

We also maintain a comprehensive counterfeit parts avoidance and detection program. VRG Components is a proud member of GIDEP – the US Department of Defense Government-Industry Data Exchange Program.

Honors & Awards:

WOMEN OWNED

"Our WBENC woman-owned certification reflects our uniqueness within our industry and benefits our customers with supplier diversity goals. As CEO, I am proud to report that over 60% of our management team are women and over 50% of all employees are women. They make important contributions to the success of our company every day."

- CEO Verena Martin
